Media Center Products

KICKER®

## KMC 20
Premium Media Center

Bluetooth®

- AM/FM Weatherband multi-region tuner w/ RDS
- Bluetooth® audio streaming w/ easy pair up to 5 devices
- Bluetooth® metadata
- Dual rear USB w/ iPod/iPhone/Android charge/control
- Dual rear AUX input w/ naming
- Variable dimmer w/ Day/Night mode
- Blue LED accent lighting (defeatable)
- Customizable start-up screen
- Two-wire 0 current draw
- EEPROM virtual memory
- Low battery alert
- 50 watts x 4 (2-ohm stable)
- 4v Front, Rear, and Sub pre-amp outputs
- Can Bus connection
- SiriusXM ready
- 2 Zone volume control w/ dual source ability
- Compatible w/ KRC15, PXIRCX, RMX11M, and SRC2 remotes

## KMC 10
All-in-One Media Center

Bluetooth®

- AM/FM Weatherband multi-region tuner w/ RDS
- Bluetooth® audio streaming w/ easy pair up to 5 devices
- Bluetooth® metadata
- Rear USB w/ iPod/iPhone/Android charge/control
- Rear AUX input w/ naming
- Variable dimmer w/ Day/Night mode
- Blue LED accent lighting (defeatable)
- Customizable start-up screen
- Two-wire 0 current draw
- EEPROM virtual memory
- Low battery alert
- 50 watts x 4 (2-ohm stable)
- Front and Rear pre-amp outputs
- Compatible w/ KRC15, PXIRCX, RMX11M, and SRC2 remotes

## KRC 15
Digital Remote Commander

- Digital 2-line LCD display
- Controls most functions of Media Center
- Compatible with KMC10 and KMC20

**PXIRCX**

## Remote for KMC10/KMC20

- Works with KMC Media Center products
- Controls volume, track, source
- Simple 1 wire hook-up
- Surface or flush mount

**KXM400.2**

## 2 Channel Marine Amplifier

- 200 watts x 2
- New Class D efficient design
- Small footprint
- Variable hi-pass/all-pass xover 24db/octave 10-500Hz
- Conformal coated circuit boards
- ABYC compliant terminals
- Sealed potentiometers

**41BKM614L**

## Bulk Marine 6″ Coax w/ RGB LED Lighting

RGB

- DOES NOT COME W/ GRILLS
- 6" midrange w/ 1/2" tweeter
- 190 watts peak power
- RGB LEDs 7 colors (20 colors w/ 41KMLC)
- All connections are marine compliant and sealed
- UV treated and splash resistant
- Sold as each

**41BKM614**

## Bulk Marine 6″ Coax

- DOES NOT COME W/ GRILLS
- 6" midrange w/ 1/2" tweeter
- 190 watts peak power
- All connections are marine compliant and sealed
- UV treated and splash resistant
- Sold as each

**KXM800.5**

## 5 Channel Marine Amplifier

- 100 watts x 4 + 400 watts x 1
- New Class D efficient design
- Small footprint
- Variable hi-pass/all-pass xover 24db/octave 10-500Hz
- Conformal coated circuit boards
- ABYC compliant terminals
- Sealed potentiometers

**KXM400.4**

## 4 Channel Marine Amplifier

- 100 watts x 4
- New Class D efficient design
- Small footprint
- Variable hi-pass/all-pass xover 24db/octave 10-500Hz
- Conformal coated circuit boards
- ABYC compliant terminals
- Sealed potentiometers

**41BKMG61C**

## Charcoal Grill for 41BKM614L & 41BKM614

- Grill sold as each
- Fits 41BKM614 series coax

**41BKMG61W**

## White Grill for 41BKM614L & 41BKM614

- Grill sold as each
- Fits 41BKM614 series coax

**41KM84LCW**

## 8″ Premium Marine Coax w/ RGB LED

RGB

- 8" midrange w/ 3/4" tweeter
- Comes w/ Charcoal and White Grills
- RGB LEDs 7 colors (20 colors w/ 41KMLC)
- 195 Watts peak power
- All connections are marine compliant and sealed
- UV treated and splash resistant

**41KM654LCW**

## 6″ Premium Marine Coax w/ RGB LED

RGB

- 6" midrange w/ 3/4" tweeter
- Comes w/ Charcoal and White Grills
- RGB LEDs 7 colors (20 colors w/ 41KMLC)
- 195 Watts peak power
- All connections are marine compliant and sealed
- UV treated and splash resistant

**41KMW104LC**

## 10″ Marine Sub w/ RGB LED

RGB

- 2 ohm model available 41KMW102LC
- RGB LEDs 7 colors (20 colors w/ 41KMLC
- 300 watts peak power
- Comes w/ Charcoal grill (white grill available)

**41BKM604B**

## 6″ Marine Coax

- 6" midrange w/ 1/2" tweeter
- 150 watts peak power
- Smooth, balanced sound
- Sold as each

**41BKM604W**

## 6″ Marine Coax

- 6" midrange w/ 1/2" tweeter
- 150 watts peak power
- Smooth, balanced sound
- Sold as each

**41KMW10G**

## White Grill for 41KM104LC

- Also fits 41KM102LC

**41KMLC**

## RGB LED Controller

- Provides multi-function control of LED lighting in coaxials and subwoofers
- Ultra-slim remote manages 20 different colors
- 19 dynamic modes, including brightness, fade, speed/strobe and auto save

## TSP1

KICKER Total System Package

KICKER's top-of-the-line performance upgrade package!

Kit includes-

1- KXM800.5 Amplifier
4- 41BKM65LC LED Speakers
1- 41KMW102LC 10" LED Sub

## TSP2

KICKER System Package

KICKER's LED speaker and amp package!

Kit includes-

1- KXM400.4 Amplifier
4- 41BKM614LC LED Speakers

## TSP3

KICKER BASS Package

Add some BASS to your existing system!

Kit includes-

1- KXM800.5 Amplifier to run your entire system
1- 41KMW102LC 10" LED Subwoofer

# KITS

**41KMS674C**

## Compression Tower System

- World's 1st horn-loaded compression-driver component tower
- Installs perfectly into existing tower cans
- Add KM6500 midrange for extra intensity of a 6 driver system
- 400 watts peak/200 watts RMS
- Cans sold separately. Available in single and dual can

**12KMTES**

## Tower Cans

- Enclosures feature a 9 degree axis rotation for maximum sound
- Comes w/ aluminum clamps (2 5/8") & adapters (2 1/4", 2 3/8", 2 1/2")
- KMTAP adapter pack (sold separately) fits additional diameters
- Accepts all KICKER 6.5" coaxials and horns

**12KMTED**

## Tower Cans

- Enclosures feature a 9 degree axis rotation for maximum sound
- Comes w/ aluminum clamps (2 5/8") & adapters (2 1/4", 2 3/8", 2 1/2")
- KMTAP adapter pack (sold separately) fits additional diameters
- Accepts all KICKER 6.5" coaxials and horns

**41KMT674**

## Tower System

- Long-range marine tower system
- Dual 6.5" woofers w/ a horn-loaded titanium dome tweeter
- 300 watts peak/150 watts RMS
- Fits 1 5/8" to 2 1/2" towers

**41KM44CW**

## 4" Marine Coax

- 4" midrange w/ 1/2" tweeter
- Comes w/ Charcoal and White Grills
- 140 Watts peak power
- All connections are marine compliant and sealed
- UV treated and splash resistant

**40KMMTES**

## 4" Cans for Bimini/Bow

- Mini cans fit 41KM44CW
- Fits 7/8"-1.25" round tubing
- Fits 1" Square tubing
- Extension arms inc. for additional mounting options

**PXiBT502**

Bluetooth®

## USB Controller w/ Bluetooth®

- Amplified controller for USB devices
- Remote for volume, track & playlist
- 5V USB charging
- Bluetooth® audio streaming
- 25 watts x 2 & RCA pre-amp output
- 3.5mm aux-input for other MP3 devices
- Weather-resistant design for the marine industry

**PX200.1/100.2**

## Compact Amplifiers

- 200 watts x 1 (200.1) 50 watts x 2 (100.2)
- Conformal coated circuit board
- Better than 90% efficient
- 2" x 3.5" small footprint
- Less than 15 amps current draw

KICKER®
Designed and built by mariners, for mariners, KICKER Marine products have been engineered to the highest standards in the marine industry. Look at any KICKER Marine product and you will realize it is not simply automotive gear painted white, but rather, a marine-engineered audio solution. Self draining grill designs, sealed speaker cones, ABYC-compliant power connections, high-efficiency low-current electronics… These are but a few features that set KICKER Marine apart from those who try to be the competition…

## KTP1

KICKER Premium Tower Package

KICKER's top-of-the-line performance Tower package!

Kit includes-

1- KXM400.2 Amplifier
1 set KMS674C Compression Drivers
1 set KMTED Dual Cans

## KTP2

KICKER Tower Package

KICKER's LED performance tower package!

Kit includes-

1- KXM400.2 Amplifier
1 set KMTES Tower Cans
1 set 41BKM614LC LED Speakers

## KTP3

KICKER Tower Package

KICKER's pre assembled tower package!

Kit includes-

1- KXM400.2 Amplifier
1 set KMT674 Loaded Cans

# KITS

**DSXS310BTX**

## Mechless w/ USB and Bluetooth®

- Internal storage tray for USB and iPod devices
- Bluetooth® audio streaming
- USB 1-wire for iPod, iPhone, and other USB devices
- MP3/WMA/AAC playback
- Satellite radio/HD Radio ready
- Front, rear, and sub pre-amp output w/ HPF/LPF
- Wireless card remote included
- Compatible w/ RMX60M/L, RMX11M//C3 and SRC2 remotes

**DSXM50BT** • NEW

## Marine Bluetooth w/ USB

- Detachable faceplate w/ front USB, front aux input.
- Front and rear pre-amp output
- Bluetooth®
- Compatible w/ RMX11M//C3 and SRC2 remotes
- Conformal circuit board coating

**MEXM70BT** • NEW

## Marine CD Receiver w/ Bluetooth, USB, NFC

- Detachable faceplate w/ front and rear USB, front aux input.
- New Sirius/XM tuner ready
- MP3/WMA playback
- Front, rear/sub pre-amp output
- Bluetooth®
- NFC for 1 touch Bluetooth® pairing
- Wireless card remote included
- Compatible w/ RMX11M//C3 and SRC2 remotes
- Conformal circuit board coating
- Virtual memory for settings (EEPROM)

**MEXDV1700U**

## DVD/CD Receiver w/ USB 1-Wire Connection

- Detachable faceplate w/ USB, front and rear aux input.
- New Sirius/XM tuner ready
- MP3/WMA/DVD playback
- Front, rear/sub pre-amp output
- Video output
- Wireless card remote included
- Compatible w/ RMX11M//C3 and SRC2 remotes

**DSXMS60**

## Marine Mechless w/ integrated USB 1-Wire Tray

- Flip down faceplate w/ LCD display and front aux input.
- Integrated Tune Tray to store music device during playback
- USB 1-Wire for iPod and other USB devices
- MP3/WMA/AAC CODEC playback w/ DM+ enhancement
- Satellite radio/HD Radio ready
- Front and rear/sub pre-amp output w/ HPF/LPF
- Compatible w/ RMX60M/L, RMX11M//C3 and SRC2 remotes
- Conformal circuit board coating
- Virtual memory for settings (EEPROM)

**DSXA40UI** • NEW

## Receiver w/ USB, AUX input

- Detachable faceplate w/ front USB, front aux input.
- Rear pre-amp output
- Compatible w/ RMX11M//C3 and SRC2 remotes

**CDXM20**

## Marine CD Receiver

- Detachable faceplate w/ LCD display and front aux input
- MP3/WMA/AAC playback
- Rear/sub pre-amp output
- Conformal circuit board coating
- Compatible w/ RMX11M//C3 and SRC2 remotes.
- Compatible w/ NEW Sirius/XM Tuner

**CDXGT270MP**

## CD Receiver

- Detachable faceplate w/ LCD display and front aux input
- Rear/sub pre-amp output
- Wired remote ready RMX11M//C3 and SRC2
- US/EURO switchable

SONY®

**RMX60M/L**

## Remote Commander

- Scrolling LCD display
- Sat, HD Radio, and iPod compatible
- IPx7 compliant splash-proof
- 16' cable included (25'and 50' available)
- Blue illumination

**RMX11M//C3**

## Remote Commander

- IPx7 compliant splash-proof
- Small footprint for tight spaces
- 16' cable included
- Blue illumination

**XSMP1650W**

## 6 ½" Marine Component Speakers

- Polypropylene woofer
- PEI dome tweeter, in-line crossover
- Water resistant design
- 180 watts peak (50 watts rated)

**XSMP1621**

## 6 ½" 2-Way Marine Speakers

- Polypropylene woofer
- Poly diaphragm tweeter
- Water resistant design
- 160 watts peak (70 watts rated)
- Customize color with detachable grille

**XSMP1611**

## 6 ½" Marine Speakers

- Polypropylene woofer
- Water resistant design
- 145 watts peak (65 watts rated)
- Customize color with detachable grille

**XSMP1611B**

## 6 ½" Marine Speakers

- Polypropylene woofer
- Water resistant design
- 145 watts peak (65 watts rated)
- Customize color with detachable grille

**XSGT1638F**

## 6 ½" 2-Way Interior Speaker

- HOP and Aramid fiber woofer
- PEN diaphragm tweeter
- Flexible mounting options
- 190 watts peak (40 watts rated)

**EXDVD3**

## Din Mount DVD Player

- 12V slot loading multi-region DVD player
- External remote eye included
- Remote control
- NTSC/Pal selectable

CPS Distributors, Inc. carries the latest hi-fi products from Sony. LED televisions, Blu-ray players, and home theater systems are available in 110V for domestic use as well as 220V export models. Contact your sales representative for the latest model numbers, specifications, and pricing.

# Marine Dealer Division

Our Marine Dealer Division services over 2500 marinas and dealerships in the US and Canada. With a full team of product specialists, CPS' dealer division can assist you in system design, technical and installation questions, and most importantly; finding creative ways of adding profit to your dealership through aftermarket products. Rick Shandy, a veteran of the industry, heads up this department. Rick has been with CPS for 30+ years and is an expert in marine electronics and L.E.D. lighting. Contact Rick to see how you can become a C.P.S. partner today!

# CONVOY TECHNOLOGIES

## See Everything

Convoy delivers solutions that allow boaters to "See Everything". Tower cameras allow drivers to see behind them. Monitors and DVR's allow yacht owners to see and protect their boat even when away. Our products are all designed for heavy duty use in marine and many other industries.

**UTE42BT** Bluetooth® Stereo

- AM/FM/USB w/ AUX input
- Premium Bluetooth® audio streaming
- Parrott® Bluetooth® chip for simple pairing
- 2 pre-amp outputs
- App mode streams metadata from your iPhone
- Compatible with RUEM1RF wireless remote

**MRVF300** **MRVM500** MRV Digital Amplifiers

- 75 watts x 4 Digital Amplifier (F300)
- 500 watts x 1 Digital Amplifier (M500)
- Built in electronic crossovers HP/LP
- High-power/Low current draw

**SPSM600**

6.5″ Marine Coaxial

- 50 watts RMS
- Built for the elements, water resistant
- ASTM-B117/ASTM-G154/D4329/IPx5 certified

**SPRM70**

7″ Marine Component Set

- 100 watts RMS 7” woofer for BIG BASS
- Built for the elements, water resistant
- ASTM-B117/ASTM-G154/D4329/IPx5 certified

**SPRM700**

7″ Marine Coaxial

- 50 watts RMS/ 7” woofer for BIG BASS
- Built for the elements, water resistant
- ASTM-B117/ASTM-G154/D4329/IPx5 certified

**SWRM100**

10″ Marine Subwoofer

- 300 watts RMS
- Infinite baffle design
- High excursion woofer

**MT8100B/W**

Marine 8″ Tower Speakers

- 8” high output tower system
- Available in black and white
- Swivel clamps sold separately
- Quick disconnect for easy removal
- Comes with custom storage bag

**MT8265B/W**

Marine 8″ Double Ended Tower Speakers

- 8” and 6.5” double ended tower speakers
- Available in black and white
- Swivel clamps sold separately

**MT81LKB/KW**

Marine 8″ Tower Speakers w/ Light

- 8” High output tower system w/ light
- Available in black and white
- Swivel clamps sold separately
- Quick disconnect for easy removal
- Comes with custom storage bag

**MTCL2B/S** **MTCL3S**

Swivel Clamp for Towers

- 2” swivel clamp in black and stainless
- 3” swivel clamp in stainless
- Quick disconnect

**MA275D**

2 Channel Marine Amplifier

- 75 watts x 2
- Class D efficient design
- 4.5” x 9.5” small footprint
- HP/LP crossover

**MA475D**

4 Channel Marine Amplifier

- 75 watts x 4
- Class D efficient design
- 4.5” x 9.5” small footprint
- HP/LP crossover

**MA1600D**

Mono Marine Amplifier

- 400 watts x 1
- Class D efficient design
- 4.5” x 9.5” small footprint
- LP crossover w/ bass boost

Amplified Subwoofers

**BTA6100**

- BT series 6” 100 watt amplified tube

**CPS650SMTSBL**

## Silver Sport with Blue LED Lighting

- 6.5" high-performance marine coaxial
- 165 watts peak power
- Polypropylene cone
- UV resistant
- Blue LED lighting

**CPS650SMTS**

## Silver Sport Coaxial

- 6.5" high-performance marine coaxial
- 165 watts peak power
- Polypropylene cone
- UV resistant

**CPS650SBLK**

## Black Sport Coaxial

- 6.5" high-performance marine coaxial
- 165 watts peak power
- Polypropylene cone
- UV resistant

**CPS650CXW** **CPS650CXB**

## CX Series Coaxial

- 6.5" marine coaxial
- 120 watts peak power
- Polypropylene cone
- UV resistant
- Available in black and white

**CPS650CXMSR** **CPS650CXGP**

## CX Series Coaxial

- 6.5" marine coaxial
- 120 watts peak power
- Polypropylene cone
- UV resistant
- Available in mushroom (left) and grey pearl (right)
- Custom colors available

**CPS600S** **CPS600B**

## CS Value Series Coaxial

- 6.5" value series marine coaxial
- 80 watts peak power
- Polypropylene cone
- Available in silver and black

**CPS50B/W**

## CS Series 5"

- 5" marine speaker
- 50 watts peak power
- Polypropylene cone
- UV resistant
- Available in black and white

**AUXUSBCPS**

## USB Auxiliary Input Jack

- For use with KMC10 and other USB ready radios

**AUX35USBCPS**

## USB Aux & 3.5mm Input Jack

- For use with KMC20 and other USB ready radios

**CPSAIJ**

## 3.5mm Input Jack

- 3.5mm input plug for your MP3 device

**WMA**

## Hideaway Amplified Antenna

**44UL09**

## Disappearing 3/4" Antenna

**SXV200V1**

## SiriusXM Tuner

- Plug and Play installation
- 3 months free subscription

**SRC2**

## Wired Remote Commander

- Water resistant
- Compatible with all Sony marine radios
- Cutout diameter 3 3/8"

**ACM5B**

## Marine Waterproof Cover

- Easy opening door
- Gasket seal for waterproofing
- UV protected finish

**CPSBTD**

## Bluetooth® accessory

- Easily adds Bluetooth® audio streaming
- Compatible with any radio w/ rear aux input
- Easy pairing

# Cables

CPS has all of your cables for your A/V needs. RCA, Component, Composite, and HDMI in a variety of styles and lengths.

- RCA Cables available in:
- 1.5' 3' 6' 14' 17' 20' 25' 50'

CPS Distributors, Inc. is the marine industry's number one source for high quality name brand products and unsurpassed service with technical support. CPS features branded products that even the most non-technical boat buyer will recognize and appreciate; SONY, KICKER, ALPINE, BAZOOKA, and our very own proprietary products; CPS PRODUCTS.

CPS Distributors' commitment to the marine industry goes far beyond just selling electronics and speakers. We work with all of our vendors on design, marketing and testing of any new products. We make sure that any product we handle will last the test of time before it is ever sold by using stringent tests dictated by the boat builders. We also work with all boat manufacturers to ensure proper installation, system layout and speaker placement. We provide detailed wiring schematics of all A/V systems on every model. We do not stop there; we provide sales and operation training for the dealer's sales force. We also train the dealer's service departments on how to test and troubleshoot the A/V system. CPS Distributors, Inc. has a full staff of customer oriented personnel with hundreds of years of combined experience.

Our support staff is available Monday through Friday 8:30-5:00 Central Time.
